“This wine is outrageously beautiful.”

ANTONIO GALLONI ON 2021 PISONI ESTATE PINOT NOIR

GARY PISONI planted his estate vineyard, now one of the region's most iconic sites, in the early 1980s as a passion play.

**96** “The 2021 Pinot Noir is outrageously beautiful. A vivid, sweeping wine, the 2021 captures all the best qualities of this rugged site. Blue/black fruit, cloves, licorice, menthol, lavender and chocolate all build effortlessly, amplified by the wine’s natural intensity and volume. The 2021 is a big, rich wine, but it is also not overdone in any way. Jeff and Mark Pisoni blend their estate Pinot using blocks from the five main soil types found across the property. This is quintessential Pisoni.”
